PAR 396.11 FEDERAL MOTOR CARRIER SAFETY REGULATIONS

VEHICLE CONDITION REPORT BY DRIVER. Except as provided for driveway/towaway operations in Par 396.15, every motor vehicle carrier operating more than one motor vehicle shall require its drivers to report and every driver shall prepare such a report in writing at the completion of his day's work or tour of duty, which report shall list any defect or deficiency of the motor vehicle discovered by said driver or reported to him as would be likely to affect the safety of operation of the motor vehicle or result in its mechanical breakdown or shall indicate that no such defects or deficiencies were discovered or reported to him. Such reports shall be carefully examined, the defects reported thereon shall be checked and the report shall be retained by the motor carrier for a period of at least 3 months.
